

REACH: Standard communication along the supply chain

You may have different responses for different “products” supplied to us (which can include substances, mixtures or articles according to REACH terminology); if this is the case, please use a separate sheet for each product category and tick the box(es) that apply for those products.

Substances ☐

Mixtures ☐

Articles ☐

1. We, the supplier, confirm that we are aware of our obligations under REACH.

Yes ☐

No ☐

2. In the event that our company is located outside of the EU/EEA, we will make sure that you, our customer, do not have to comply with the duties of an importer under REACH by, for example, appointing an only representative. Questions 3-8 below will be answered on behalf of our importer/only representative.

Yes ☐

No ☐

Does not apply ☐

3. The intention is for all of the substances supplied to you for which registration is required to be pre-registered either by us or by an upstream actor in the supply chain.

Yes ☐ (if yes, skip to Q5)

No ☐

4. We will forward you a list of “products” supplied to you which contain substances that we do not intend to pre-register.

Yes ☐

No ☐

5. We confirm and/or we have made sure that the intention within our supply chain is to register the substances pre-registered by us for your use(s).

Yes ☐

No ☐

6. We will forward you a list of all “articles” containing substances on the list of candidates by

Yes ☐

No ☐

Does not apply ☐

7. Within 45 days after the list of candidates has been updated, we will forward you a list of all “articles” containing substances named on that list.

Yes ☐

No ☐

Does not apply ☐

8. We will discuss safe use and risk management measures (RMM) with you and our suppliers for the substances and mixtures we supply to you.

Yes ☐

No ☐

Does not apply ☐
