

MET Turbochargers

PrimeServ Omnicare

PrimeServ Omnicare is able to offer services and original spare parts for Mitsubishi turbochargers from seven Authorized Service Centers all over the world.

For over a century, MAN PrimeServ has provided the best service solutions and technical support for all MAN engines and equipment. Now MAN PrimeServ offers the same level of care for all your equipment with the one-stop service solution of PrimeServ Omnicare. Anywhere and anytime, no matter the brand.

PrimeServ Omnicare has gained over 15 years of experience in providing service, maintenance, repair and original spare parts by being an Authorized Repair Agent for MET Turbochargers. Our network consists of seven authorized service centers located worldwide.

Our services include

- Maintenance and repair on axial and radial turbochargers.
- Original spare part kits and replacement parts with short delivery times.
- Highly skilled service technicians, globally available.
- Exchange based service solutions.
- Integration of MET services into existing MAN ES service agreements.
- Management of consignment stock.

Your advantages

- Benefit from authorized workshops and certified service engineers for your equipment.
- Have qualified engineers solve your problems and support you.
- Ensure peace of mind through 24/7 flexible service and support.
- Have fixed regional service prices.
- Profit from six months MAN PrimeServ warranty.

Should you have any queries, our technical service will be pleased to assist.

Be safe with the original

One-stop service solution

Are you looking for a trouble-free turbocharger operation without handing in on quality? Through our motto “be safe with the original”, PrimeServ Omnicare lives up to the highest standard.

As an original equipment manufacturer, MAN PrimeServ knows how important it is to maintain the highest quality standards, in order to deliver the best overall lifetime performance.

With this core value in mind, PrimeServ Omnicare maintains the same standard for the Mitsubishi turbocharger series. All spare parts installed on your turbocharger are from the original equipment manufacturer.

Required information to ensure correct equipment delivery:

IMO No:
